Caroline County Department of Health (136) 403 S. 7th Street, Denton, MD 21629. Main Purpose of Job: An **Environmental Health Specialist Trainee** is the entry level of work at a local health department performing inspections and investigations to ensure compliance with environmental health laws and regulations. Protection of the public health is the main purpose of the Environmental Health Specialist position, protection more desirably obtained through voluntary compliance with the existing regulations or, when necessary, using compliance procedures established in regulation and law. This is an entry level position under close supervision from a higher level Environmental Health Specialist. Education: Determined by the Maryland Board of Environmental Health Specialists under the licensing requirements for Environmental Health Specialists. Experience: None. Licenses, Registrations and Certifications: 1. At the time of hire, candidates for positions in this classification must possess a certificate of eligibility to be licensed as an Environmental Health Specialist from the Maryland Board of Environmental Health Specialists. A copy of your certificate must be attached to the application. 2. Employees in this classification may be assigned duties which require the operation of a motor vehicle. Employees assigned such duties will be required to possess a motor vehicle operator's license valid in the State of Maryland. Selection Process: Applicants who meet the minimum qualifications will be evaluated. The evaluation may be a rating of your application based on your education, training and experience as they relate to the requirements of the position. Therefore, it is essential that you provide complete and accurate information on your application. Please report all related education, experience, dates and hours of work. For education obtained outside the U.S., a copy of the equivalent American education as determined by a foreign credential evaluation service must accompany the application. All information concerning your qualifications must be submitted by the closing date. We will not consider information submitted after this date. Benefits: Contractual employees who work for an agency covered under the State Employee and Retiree Health and Welfare Benefits Program (the Program), have a current employment contract and work 30 or more hours a week (or on average 130 hours per month) may be eligible for subsidized health benefits coverage for themselves and their dependents. As a contractual employee, you will be responsible for paying 25% of the premiums for your medical and prescription coverage, including any eligible dependents you have enrolled. The State of Maryland will subsidize the remaining 75% of the cost for these benefits. You can also elect to enroll in dental coverage, accidental death and dismemberment insurance, and life insurance, but will be responsible to pay the full premium for these benefits. Further Instructions: Online application process is STRONGLY preferred. If you are having difficulty with your user account or have general questions about the online application system, please contact the MD Department of Budget and Management, Recruitment and Examination Division at 410-767-4850 or Application.Help@maryland.gov. If online process is not available, please send your paper application to: Maryland Department of Health, Recruitment and Selection Division, 201 W. Preston St., Room 114-B, Baltimore, MD 21201. The paper application must be received by 5 pm, close of business, on the closing date for the recruitment, no postmarks will be accepted. Incorrect application forms will not be accepted. If you need to submit additional information, the preferred method is to upload. If unable to upload, please fax requested information only to 410-333-5689. Appropriate accommodations for individuals with disabilities are available upon request by calling: (410) 767-1251 or MD TTY Relay Service 1-800-735-2258. We thank our Veterans for their service to our country, and encourage them to apply. As an equal opportunity employer Maryland is committed to recruiting, retaining and promoting employees who are reflective of the State's diversity. Should additional information regarding this recruitment be required, please contact the Maryland Department of Health Recruitment and Selection Division at 410-767-1251 or via email at dhmh.jobs@maryland.gov. (Date listed: 7/17/18, Updated 8/23/18, Updated 10/18/18)

Choptank Transport (22) Carrier Sales Support Representative: Are you searching for a dynamic role that plays off your communication and problem-solving skills? Are you hunting for a stable company that offers growth opportunities and development? As a Carrier Sales Support Representative with Choptank, you'll be talking to lots of potential carriers and negotiating the movement of our customers' freight, while ensuring your carriers know they have your support for anything that might happen along the way. This is your time to let your critical thinking skills shine through. We're not a "one and done" environment, so you are on the front lines of building relationships with those carriers as well. You will also be working with our sales department as well as the rest of your logistics team, so an excellent work ethic and communication skills are key. Worried that you don't know anything about logistics? We will train you! Choptank has a state-of-the-art, award-winning training program crafted to make sure you have all the tools and knowledge you will need to be successful in your new career. (Positive attitude and coachability required). Choptank is a Third Party Logistics (3PL) provider, meaning we bring companies who need to ship products and those with trucks together. Our customers want to focus on crafting and selling their products, not looking for trucks to move it and hoping they get a fair price for the shipping. We take that worry off their plate and get them the best deals in the market. We offer solutions and give them results. For more information on the position, or to submit your application, please visit our online career portal at www.choosechoptank.com.

Choptank Transport (23) Inside Sales Representative: Are you searching for a dynamic role that plays off your communication and problem-solving skills? Are you hunting for a stable company that offers growth opportunities and development? As an Inside Sales Representative with Choptank, you will be on the front lines of assisting customers get their valuable products shipped from point A to point B. You'll be prospecting leads, cold-calling on prospective accounts via phone, building relationships with your customers, and managing their accounts. Your accounts won't be "one and done," but rather long term associations that make a big impact on your customers' bottom line. Are you a smart, competitive, business-minded professional who isn't afraid to start from scratch and build a book of business on your own? Choptank is a Third

Party Logistics (3PL) provider, meaning we bring companies who need to ship products and those with trucks together. Our customers want to focus on crafting and selling their products, not looking for trucks to move it and hoping they get a fair price for the shipping. We take that worry off their plate and get them the best deals in the market. We offer solutions and give them results. For more information on the position, or to submit your application, please visit our online career portal at www.choosechoptank.com.

Eastern Shore Area Health Education Center (675) **Community Dev Coordinator**. Position Summary: Responsible for developing, facilitating, and implementing outreach activities, special events, programs, and presentations which support member education and health plan awareness within the Medicaid or Medicare population and the community. Responsible for developing and maintaining relationships with community contacts. Maintains marketing guideline compliance with the appropriate states laws and regulations. Candidates who live in or around the eastern shore of Maryland or southern Maryland are strongly preferred. For more information: <https://www.aetnacareers.com/job/linthicum/community-dev-coordinator/41/10790727>. (Date listed: 2/11/19)

Eastern Shore Land Conservancy (731) **Landowner Assistance Coordinator**. Background: Eastern Shore Land Conservancy (ESLC) is a 501(c)3 nonprofit that is committed to preserving and sustaining the vibrant communities of the Eastern Shore and the lands and waters that connect them. Our Vision in 2050 is an Eastern Shore where: towns are vibrant and well defined; farms, forests, and fisheries are thriving; and scenic, historic, natural, and riverine landscapes are maintained. ESLC is part of Envision the Choptank, a multi-stakeholder initiative focused on developing collaborative solutions to support a swimmable, fishable Choptank and healthy native oysters. As part of the initiative, several partner organizations received a grant to reduce the levels of nutrients and sediment entering the Choptank River by increasing the implementation of agricultural and residential best management practices (BMPs). Funds from the grant are being used to support this position, as well as carry out multiple landowner workshops and develop a fund to provide monies to residential landowners for BMPs. The majority of this work will be focused on the Choptank Watershed that lies within Talbot County, Maryland and includes the following tributaries of the Choptank: Harris Creek, Broad Creek, and the Tred Avon River. ESLC is looking to hire a Landowner Assistance Coordinator to provide assistance to landowners around these waters by helping them determine the most efficient and practical best management practice(s) to install on their land and connecting them to technical and financial resources to do so. This position is part-time (approximately 25 hours per week) for up to a 1-year term, which may be extended pending additional funds. The Coordinator will be overseen by a committee composed of representatives from Envision the Choptank partner organizations, and will be directly supervised by the ESLC. Position Responsibilities: ●Provide one-on-one assistance to private landowners (residential and agricultural) to help them: ○identify the appropriate BMPs for their land, ○understand and secure resources from existing BMP cost-share programs, special cost-sharing available through Envision the Choptank, and technical support and service providers, ○implement pollution control projects, and ○develop a plan for BMP maintenance. ●Work closely with the Talbot Soil Conservation District, University of Maryland Extension, and University of Maryland Sea Grant Extension: ○These organizations will assist in providing

technical assistance to agricultural and residential landowners and may provide the Coordinator with initial connections to landowners. ●Work with Envision the Choptank partners to organize and carry out a workshop related to this work. ●Assist partner organizations in developing and administering a Residential BMP Fund, which may include: ○soliciting, receiving, and ranking applications, and ○managing a constituent database of landowners interested in and/or implementing best management practice projects and maintenance plans. ●Provide staffing and coordination support for partners engaged in the work described above. Basic Qualifications ●Bachelor's degree in biology, ecology, agriculture, natural resources management or related field and 1 to 2 years related work experience or equivalent combination of education and experience. ●Experience coordinating multiple projects. ●Experience handling standard business communications. ●Knowledge of Microsoft Office suite. Required Knowledge and Skills: ●Ability to communicate effectively. ●Ability to work cooperatively with partners, including conservation managers, farmers, and residents. ●Ability to complete tasks independently within assigned time frames. ●Ability to manage multiple priorities, with assignments sometimes coming from a number of sources. ●Ability to coordinate project information from a number of sources to populate databases, create reports and produce manual files. ●Ability to be detail oriented, while able to plan for the long-term. ●Knowledge of common BMPs for water quality. ●Familiarity with Eastern Shore and greater Maryland cost-share programs that support and incentivize best management practice implementation. ●Valid driver's license, clean driving record, and access to a vehicle for travel. ●Applicants must have flexible working hours (may include evenings and weekends). Preferred Qualifications: ●Experience with farming and/or the related agricultural community (education, training, background, job experience, etc.) and installation, maintenance, or monitoring associated with BMPs in rural landscapes, preferably the Eastern Shore. ●Ability to develop relationships with the farming community at all levels (local farmer, agribusiness personnel, government agency staff, extension services staff). ●Experience working with private landowners and with diverse audiences of all socio-economic levels. ●Familiarity with Delmarva ecosystems and native plants. ●Experience coordinating the work of multiple organizations. ●Experience with grant writing and coordination. ●Experience using and managing database and/or constituent database software. ●Maryland Eastern Shore resident. Salary: \$20/hour for approximately 25 hours per week. The anticipated end date is December 31, 2019; however, there is potential for the position to be extended to a full-time position, pending funding availability. Benefits are currently not included. The position will be reimbursed for travel expenses. Desk space is included at the Chesapeake Bay Foundation in the Eastern Shore Conservation Center in Easton, MD. Applications: To apply for this part-time position, please send a cover letter, resume, and two professional references to hr@eslc.org. **Position opened until filled.** The Eastern Shore Land Conservancy is an equal opportunity employer. (Date listed: 2/26/19)

Eastern Shore Land Conservancy (730) Conservation Projects Manager. Summary: The Eastern Shore Land Conservancy seeks to hire a talented, energetic professional for the full-time position of Conservation Projects Manager. The Conservation Projects Manager is responsible for implementation of ESLC's land conservation objectives with a focus on land protection through a myriad of tools including purchased programs and donated easement acquisitions. This position will provide coordination and support for Delmarva Oasis, an initiative to coalesce public and private partnerships to fund large-scale conservation to protect 50% of Delmarva's critical habitat and farmland, improve rural prosperity, and enhance vibrancy of our towns, by 2030. Candidate should have relevant conservation or real estate skills/experience, a creative / entrepreneurial mindset, excellent communication and partnering skills, and a comfort level working with varied communities and partnerships. Desired Qualifications: ●Bachelor's degree with 3 or more years' experience in conservation, natural resources management, business or related field; Juris Doctorate and legal experience preferred. ●Experience with Land and Property transactions, including necessary due diligence. ●Professional interests that align strongly with ESLC's vision and values. ●Outstanding verbal and interpersonal communication skills; Exceptional written communication skills. ●Disciplined self-starter, capable of working independently as well as part of a team. ●Desire and demonstrated ability to identify and address personal knowledge gaps; to learn on the job; and to cultivate sources of knowledge, expertise, and skill. ●Able and willing to travel (including a vehicle) frequently among the six counties in ESLC's service area and

occasionally beyond the service area. •Proficient in all aspects of Microsoft Office. The Eastern Shore Land Conservancy is a leading regional land trust on Maryland's rural Eastern Shore responsible for preserving over 60,000 acres since 1990. Do you want to be engaged in the future of the beautiful Eastern Shore? Then come join our exciting and dynamic team at the award winning Eastern Shore Conservation Center in Easton's charming historic district! To apply send resume, cover letter, and salary requirements to Theresa Miller hr@eslc.org. For more information about our work, please visit: www.eslc.org. (Date listed: 2/26/19)

Echo Hill Outdoor School (703) Residential Teaching Position. Teacher/Naturalist.

Located on Maryland's Eastern Shore of the Chesapeake Bay. Introduction: Echo Hill Outdoor School (EHOS) has successfully provided over forty-five years of residential and recreational learning experiences. Programs are designed to introduce and acclimate participants to the outdoors and foster respect for and awareness of themselves, each other and their environment. Course areas include: Watershed Ecology of the Chesapeake Bay and its surrounding ecosystems, group and individual development on our low and high element challenge course, and exploration of history and the human environment in the Chesapeake Bay region. The program is flexible and committed to custom designing programs so as to meet the needs of a wide range of students/ participants, typically 3rd through 9th grade, from both public and private schools, as well as college students and adults of all ages. Responsibilities: At EHOS you would teach a variety of classes from all of our curriculum areas. You would also supervise and counsel all aspects of participant residential life during their stay at the school including overnights in platform tents or dormitories, table-heading at family style meals, and supervision during recreational time and other activities. Qualifications: EHOS is seeking motivated, energetic individuals with creativity, commitment and a passion for the outdoors. Experience working with and relating to children and people of all ages is extremely beneficial. A background in Education, Recreation, Environmental or Outdoor Education, Challenge Course facilitation, Psychology, Natural Sciences, Marine Biology, Liberal Arts or related fields is desired. Compensation: Starting salary for Teacher/Naturalist is \$250-\$270 per week. Individuals with demonstrated current certification in Wilderness First Responder, Wilderness First Aid, American Red Cross Lifeguard Training, or Valid State Teacher Certification will be considered at a slightly higher starting range. EHOS owned housing and board are a condition of this residential teaching position. Ten-twelve month contracts may be available for interested, committed individuals depending upon future openings, specialized positions available, and satisfactory job performance. A staff excess sickness and accident medical plan is available. Deadline: Applications are welcome year round. Primary starting dates are in March and late August. To Apply: If you are interested in a challenging and rewarding experience please send cover letter, resume, two written reference letters and three telephone reference contacts to: Betsy Zelter McCown. jobs@ehos.org. Echo Hill Outdoor School, 13655 Bloomingneck Road, Worton Maryland 21678. (410) 348-5880. (Date listed: 2/19/19)

TechOps Specialty Vehicles (TOSV) (802) Fabricator / Welder. Summary/Scope: A Fabricator is a skilled position at the journeyman's level within the TechOps shop environment. He/she is responsible for fabricating from verbal and written instructions and printed drawings to high quality standards for up-fitting/retrofits of large vehicles, trailers, SUVs, etc. General Accountabilities/Responsibilities: Other duties may be assigned. •Assembles metals preparatory to welding. Preheats, cleans, lay outs, cuts and fits material for welding. •Fabricates from prints, sketches and verbal directions to high-quality standards using MIG/TIG on aluminum and steel. •Sets up, regulates, maintains and makes minor repairs on welding equipment. •Performs incidental welding duties as required along with regular assignments. •Maintains volume of production and quality of workmanship both while performing work and upon completion; general supervision is received concerning work but methods or techniques are generally left to the discretion of the employee. •Operates and maintains a variety of equipment such as tools, air compressors, portable generators, etc. Makes small repairs to equipment as required. •Operates automotive equipment, such as pick-up trucks, small vans, SUVs, or cars within the shop environment. May operate large vehicles, move trailers, etc. if necessary. •Makes equipment, material and supply procurement recommendations to the Shop Manager as necessary. •Assists shop team in checking project standards and applying quality-control measures. •May assist shop team with installations and repairs in the mechanical, electrical, plumbing and related fields. •Completes paperwork as required. •Performs other related work as required. Qualifications: Required: •Must pass welding test. •Must be proficient in reading a tape measure and calipers. •Must have personal welding helmet. •Must have own tools (drills, die grinders, etc.). •High school diploma or equivalent, AND •Considerable knowledge and skill in the use of equipment and techniques employed in MIG/TIG welding on aluminum and steel, OR •Equivalent combination of education and experience deemed adequate by executive management. •Considerable knowledge of general work methods in welding. •Ability to follow verbal, written

instructions, and printed drawings. •Ability to lay out welding work and to make estimates of material requirements. •Valid driver's license and a clean driving record. •US Citizenship. Preferred: •Considerable knowledge of the occupational hazards of the trade and of appropriate precautionary measures. •Ability to maintain and make minor repairs in welding equipment. •Professional/technical certifications applicable to shop environment. •Ability to obtain a security clearance if needed. Working Conditions: The employee's primary work site is in the shop at the TechOps headquarters in Stevensville, MD. The shop is well-lit and properly ventilated in accordance with the Bureau of Labor. The noise level in the work environment is typical of most shop/industrial environments; ear protection is provided for when machinery is in operation as the noise level in the work area can be very loud. Installer is occasionally exposed to extreme heat in summer and cold in winter while performing typical tasks. Exposure to dirt, dust and chemical fumes such as wood stains, paint, etc. is frequent. While it is difficult to gauge the percentage of travel for the employee, it is to be expected that travel both to TechOps locations and to project work sites not under TechOps's control or events outside of Maryland and around the country may be required. Physical Requirements: Medium physical exertion; the position requires mobility. While performing the duties of this position, he/she is frequently required to walk, stand on a concrete floor, communicate, reach and manipulate objects, tools or controls, work under vehicles (creeper work), work on ladders and on top of vehicles and occasionally sit. Duties involve moving materials weighing up to 25 pounds on a regular basis and up to 50 pounds on an occasional basis. Manual dexterity and coordination are required over 50% of the work period while operating equipment such as tools, forklift, computer keyboard, mouse, calculator and other items including tools and shop machinery as needed. If interested, email us at admin@techopssv.com. The position will be open until filled. (Date listed: 3/12/19)

TechOps Specialty Vehicles (TOSV) (803) Vehicle Electrician. Summary/Scope: A Vehicle Electrician is a skilled position within the TechOps shop environment. He/she is responsible for the installation and wiring of electronics and communications equipment in large vehicles, trailers, SUVs, etc. He/she also assists the shop team as needed in the overall retrofit/up fitting of vehicles. General Accountabilities/Responsibilities: Other duties may be assigned. •Installs and wires electronics and communications equipment in large vehicles, SUVs, trailers, etc. •Operates and maintains a variety of equipment such as tools, air compressors, portable generators, etc. Makes small repairs to equipment as required. •Operates automotive equipment, such as pickup trucks, small vans, SUVs, or cars within the shop environment. •May operate large vehicles, move trailers, etc if necessary. •Makes equipment, material and supply procurement recommendations to the Shop Manager as necessary. •Provide support during installation of electrical systems throughout vans, trucks, SUVs, and Mobile Command Centers (MCVs). •Ensure work performed meets the requirements set forth by the wiring diagram. •Work with project lead to troubleshoot any issues that arise during wiring. •Communicate job status as well as material status throughout the duration of assigned project. Qualifications: Required: •Must have electrical experience in marine, RV, or auto industry. •Experience with 12 volt wiring systems, lights and sirens, AV, or relays is a plus. •Must possess excellent communication skills and a desire to learn. •Must have strong work ethic and an ability to trouble shoot. •Must possess valid driver's license. Preferred: •Varied technical/mechanical skills. •Forklift operator certification/experience. •Professional/technical certifications applicable to shop environment. •Ability to obtain a security clearance if needed. Working Conditions: The employee's primary work site is in the shop at the TechOps headquarters in Stevensville, MD. The shop is well-lit and properly ventilated in accordance with the Bureau of Labor. The noise level in the work environment is typical of most shop/industrial environments; ear protection is provided for when machinery is in operation as the noise level in the work area can be very loud.
