

THE COMMUNITY INTERPRETER® INTERNATIONAL PROGRAM

NOW AVAILABLE

The Community Interpreter® International training will prepare students to facilitate meaningful communication between service providers and Limited English Proficient (LEP) members of the community. Topics to be covered in this 44 hour interactive and skills based course will include: ethics and conduct, terminology, positioning, modes of interpreting, steps for sight translation, intervention strategies, and cultural mediation. Students must register for The Community Interpreter® International programs I and II.

Course fee \$750. Textbooks and testing fee included.
